### Student Broadcasting System

Being members of SBS gives the student a chance to use a wide variety of broadcasting equipment while learning how to speak and present oneself over the radio. "As always, student participation keeps us going," stated moderator Mr. Jim Misiora, "but we need new equipment desperately — we hope we get it."

Because of family troubles, Mr. Edmund Brongiel was not able to moderate the War Games Club. Ron Nowak took over the duties as much as possible. "It's interesting and I hope I get the chance to do it again," said Mr. Nowak.

### Racquetball Club

In its third year at St. Rita, the Racquetball Club continues to grow and grow. It meets twice a week for practice at Evergreen Bath and Tennis. "I want to teach the fundamentals of the game and teach the students to have fun at it," states moderator Mr. Jim Segredo.

### Guitar Club

Through honesty and dedication the Guitar Club is becoming a more popular activity at St. Rita. "We have improved immensely over the years," explained moderator Mr. Don Gray, "and I know we will continue to do so."

## WERNET RETURNS TO LEAD RITA

Finishing with a 10-2 mark, the Fighting Mustangs proved once again that the St. Rita football program is alive and well. The Mustangs were led by head coach Todd Werner, who returned to St. Rita to replace Pat Cronin, the man he played for as a student here on the varsity team. "It was a very warm experience to return here," said Coach Werner. "St. Rita was very special to me as a player. It's exceeded my expectations as far as how well things have gone."

The Mustang's season included a thrilling 23-21 victory in the Silverdome against Br. Rice of Birmingham, Michigan. "That was a rewarding trip to the Silverdome — very exciting," said Coach Werner. "Not many programs have the opportunity to do that."

Nor do too many teams get three players named to the All-Area team as St. Rita did when John Foley, Erik Howard, and John Zaleski were nominated. Foley was also named as the Illinois High School Player of the Year. The team's captains were John Foley, John Zaleski, Scott Smolik, Jim Fitzgerald, and Jason Cegielski.

St. Rita needed all this talent in its biggest win of the year, a 17-14 playoff victory over St. Laurence in a game which may go down as one of the greatest in Mustang history. Although the season ended with a difficult 7-6 playoff loss to Br. Rice, it was a very successful year for the Mustangs.

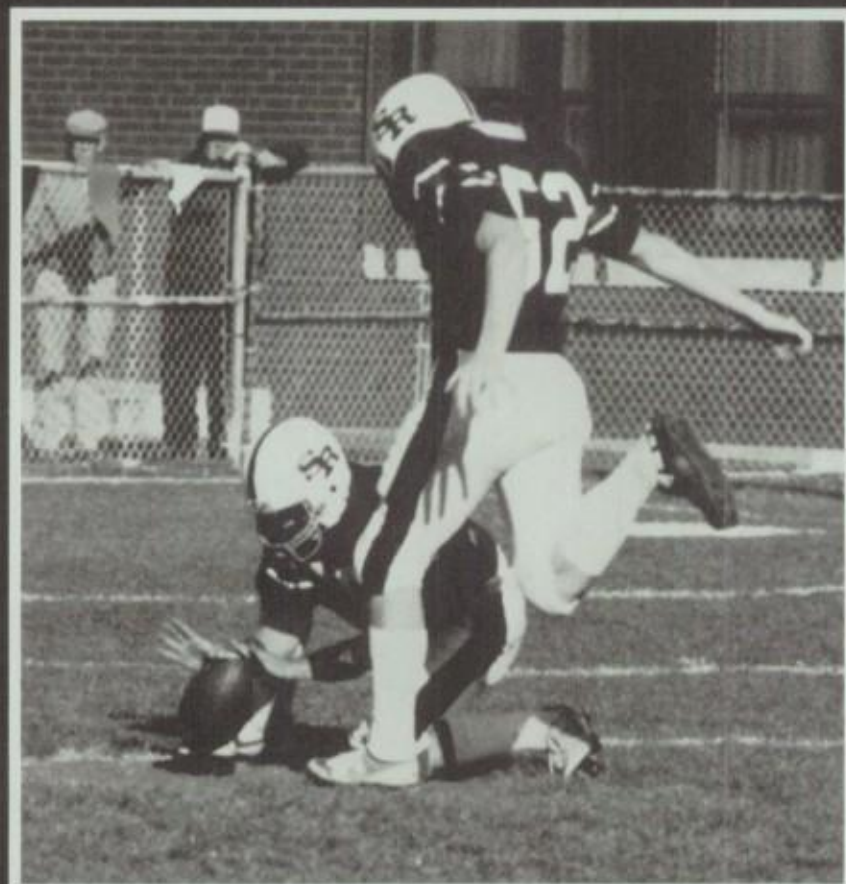

"St. Rita was brought to the front as a continued Catholic League power," said Coach Werner. "They represented St. Rita very well, on and off the field."

## 22-6 MUSTANGS

It was a year of recognition for the Running Mustangs. Just two years after going 7-17 when head coach Jim Prunty first took over the team, this year's new breed of Mustang finished 22-6 and went down to the buzzer challenging for a league title. St. Rita finished second, scoring its biggest victory in a 61-59 thriller against highly-rated Weber in front of a jam-packed homecoming crowd.

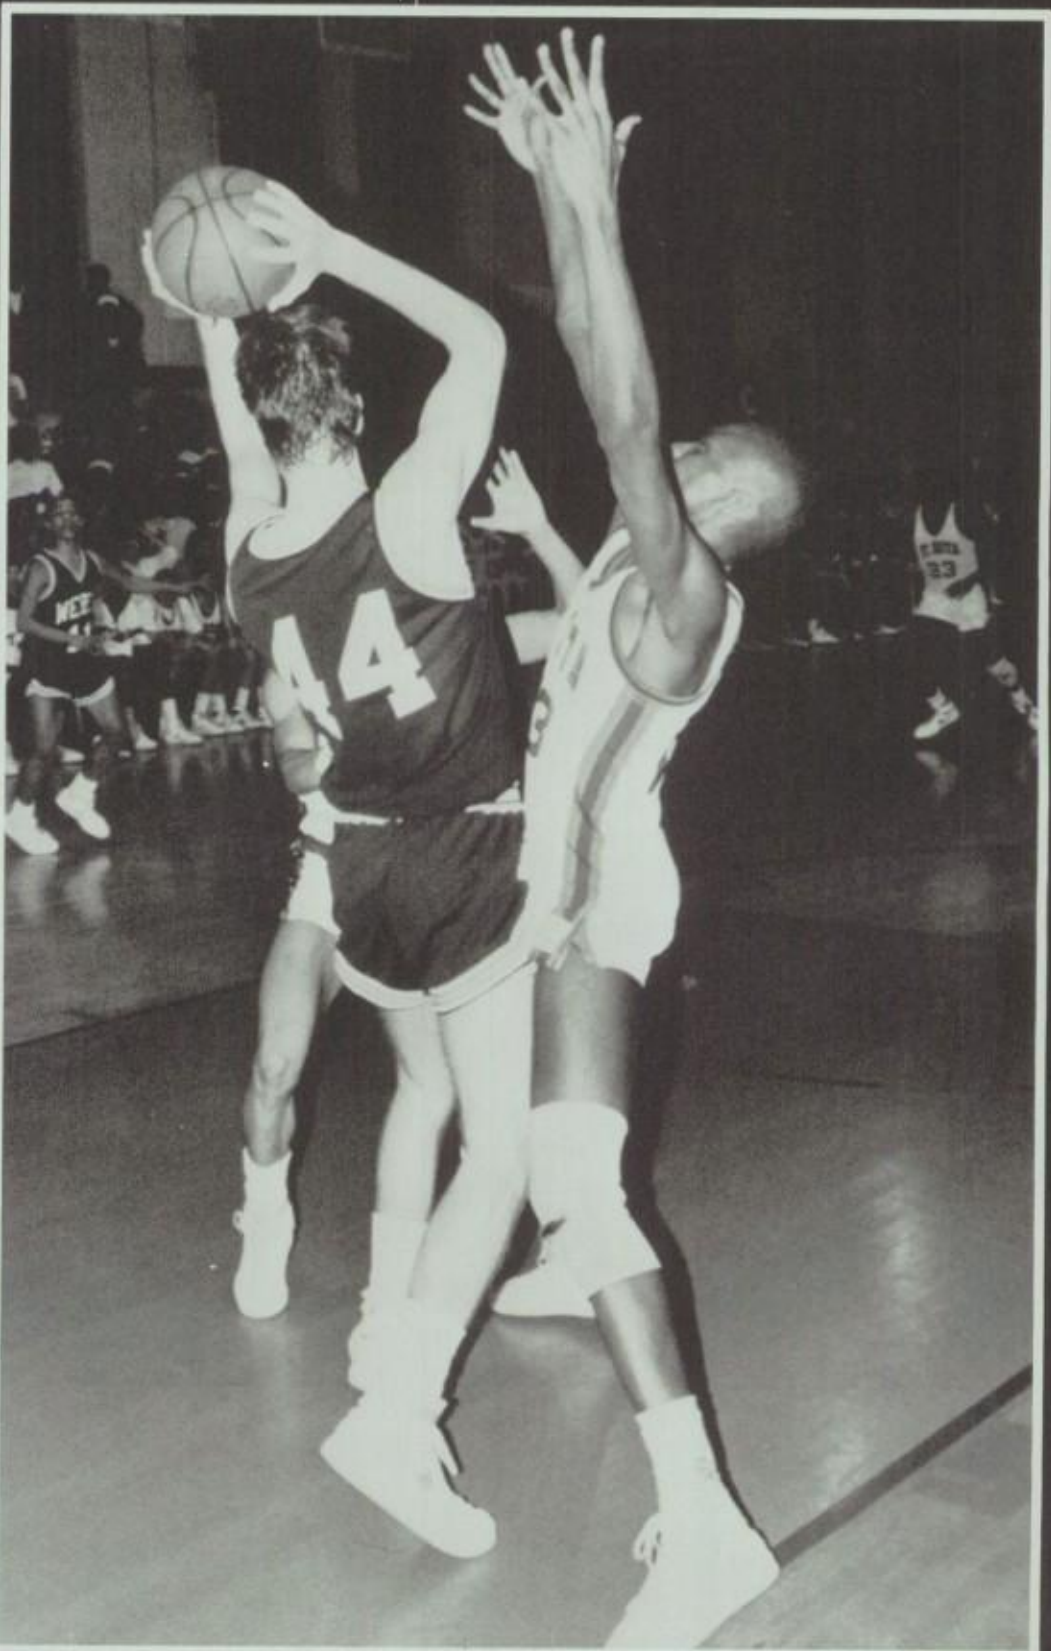

Perhaps their greatest eye-opener, however, came not in victory, but in a loss to league champion and perennial power Leo. As over 1000 fans watched the Lions take on St. Rita to decide who would be the Catholic League champion, and as Chicago's media closely watched the contest, the two teams played one of the most unforgettable games in school history.

It was Leo that sunk the shot as time ran out to give the opponents a 58-56 edge and the crown, but it was St. Rita who proved they could play with the state's finest. The Mustangs lost another close contest to Leo in the state regionals, but again they proved a new challenger had arrived.

Coach Prunty's basketball program is roaring to new heights. "I think we're here to stay," said Coach Prunty. "In basketball (at St. Rita) there have been great individual years, but it's never been a program. It's never been where you could put three years in a row and win between 17 and 20 games; I like to think that's where we are now."

## SKATING MUSTANGS BUILDING ON STRONG BASE

The Hockey team ended it's season 8 wins 8 losses and 2 ties in the Catholic League but all around they had 18 wins 17 losses and 3 ties.

The Most Valuable Player for the Hockey Team this year was Sean Ford who did a great job in the goal and helped the skating Mustangs get to the fine record they had.

"The Hockey team was hampered by injuries this year," says head coach Jim Misiara. Two of the major one's were Scott Edling and Paul Basic getting hurt in the Thanksgiving tournament. The skating Mustangs are in great shape for next year with 14 varsity players coming back to head the team. "The Junior Varsity had their best year ever," said coach Misiara.

"The best game the Skating Mustangs had this year though," said coach Misiara, "had to be the upset of Mr. Carmel this year by the score of 3 to 2 in the Thanksgiving tournament." Last year Rita lost to Mr. Carmel in the semi-finals of the Kennedy Cup play-offs. "We are building on a strong base of experience and strength and can only look forward to an even greater season next year," said coach Misiara.

## CROSS COUNTRY

### CROSS COUNTRY SHOWS PROMISE

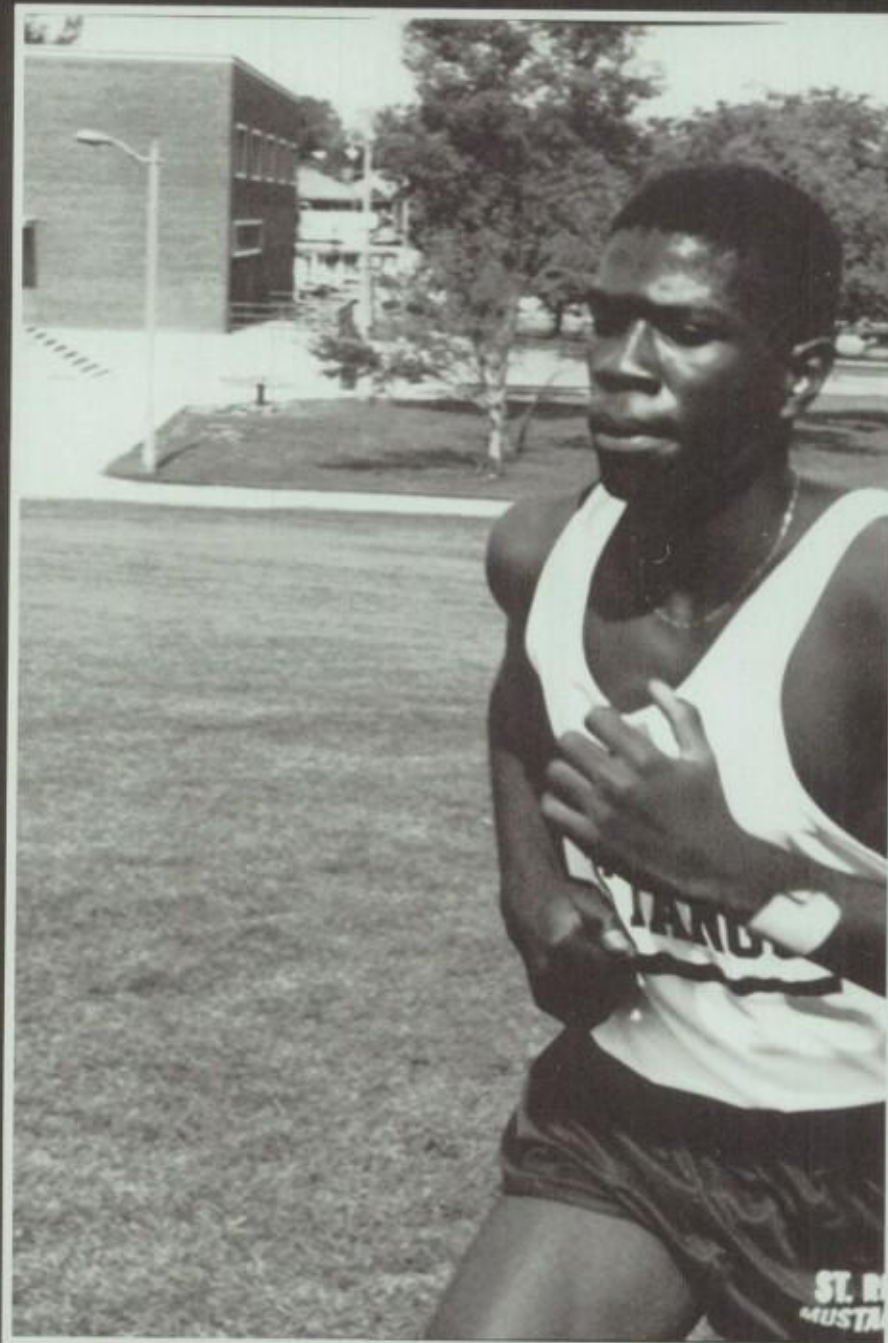

In the first year as new coaches, Mr. Bill Dorrington and Miss Paula Strupeck feel the Cross Country program has shown considerable improvement and will develop into one of the better and more competitive programs in the state.

Led by Coach Dorrington and senior captains Lance Spiotto and Armando Vega, this year's team is coming off its best year in school history. The team placed well throughout the year in such meets as the prodigious Niles West Invitational.

The state and Catholic League competition this year was a disappointment for the Running Mustangs who did not advance past the regionals in the State playoffs and finished ninth in the Catholic League.

The sophomore and freshman teams showed great promise in this past year of competition. In the Catholic League, the sophomores placed well and the freshmen missed first place by only four points. "I was happy with the spirit and delighted with their performance. I think they should do very well as sophomores," said Miss Strupeck.

Overall, the varsity team with strong juniors Mark Egan, Mark Godsel and Tom Grady together with this year's sophomore team should prove to be a formidable power in Catholic League competition.

## PREDICTING BRIGHT FUTURE

It may not have been the greatest of years record-wise for the Kicking Mustangs, but first-year head coach Mr. Don Krystof is seeing signs of a program that is ready to spark.

One reason for optimism is that the team's leading scorer, Steve Gremer, will be returning next season, and with the J.V. team putting together some enthusiastic players who are hoping to make the varsity, coach Krystof believes next year's team will be a long way from this year's 1-11-1 mark. With the 1985 team losing many close games that could have gone St. Rita's way, the soccer team is looking towards a 1986 season that will bring them over the .500 mark and a step closer to the ultimate goal of winning the Catholic League.

"This could have been a very, very good team," said coach Krystof. "We received compliments from opposing coaches and the referees on how we played. It's just that we'd go into a lapse on defense for a quarter, and only for a quarter."

Still, those short lapses caused some unsatisfying losses — losses that coach Krystof has reason to believe won't be repeated with next year's squad.

# WRESTLING

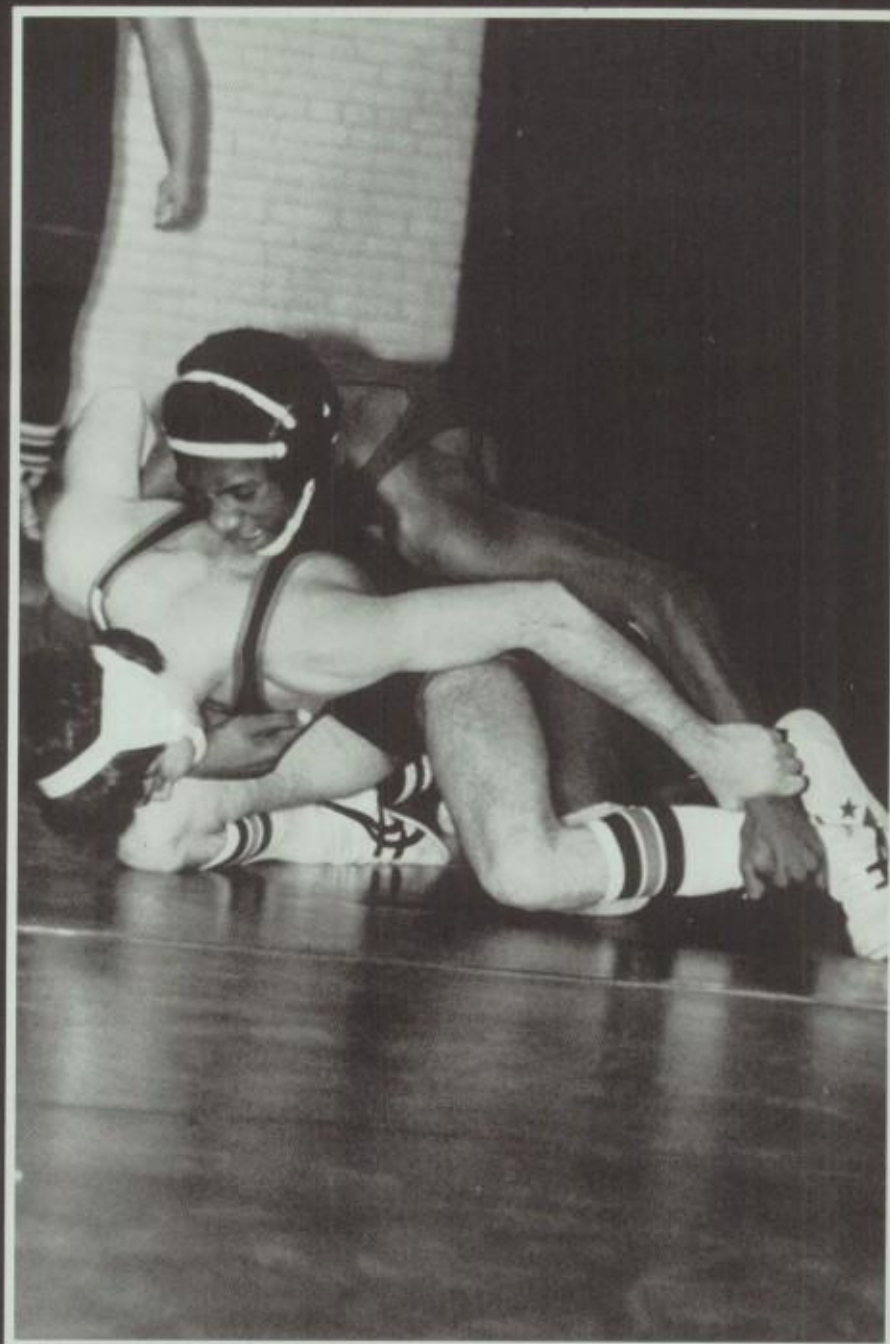

## WRESTLE-MANIA

In its second year of operation, the Rita Grapplers already have gained respectability from their Catholic League foes. "The future is sure to bring bigger and better things for our program here at Rita," says Head Coach Jack Ferraro. Positive signs of improvement were also shown on the J.V. level under the direction of Coach Don Krystof. Rita's returning starters gained experience in this year's newest endeavor — The Varsity Level!

Due to increased popularity of wrestling in the area, Rita athletes responded by joining our newest team. Athletic director Mike Moyzis is overjoyed in this increased popularity. "I feel our wrestling team can easily become a Catholic League power house in the near future," he points out. These sentiments are echoed throughout the halls of St. Rita.

The St. Rita team was anchored by senior star Javier Lebron who became the first Illinois Regional Finalist in the school's history. His talent was also evident in the state sectional matches. "Javier was a great inspiration for the younger wrestlers in the program," says Coach Krystof.

Coach Jack Ferraro assures all Ritamen, "This team will continue to prosper," with experienced underclassmen such as Bobby Thomas, Mike Ramundo and Don Perpignon. This indeed seems to be the case. Coach Ferraro also states, "This wrestling program has been my dream for years," then adds, "When you fully pursue a dream, the sky's the limit."

## SWINGING MUSTANGS HAVE GREAT YEAR

Three years ago the St. Rita Golf program had never won a single match. This year, they wrapped up their season with a ninth place finish in the I.S.H.A. Tournament at Cog Hills after coming off a disappointing last place finish in the Catholic League for the freshmen and varsity.

"We wanted to finish at .500 this year and we finished just below that mark," said Head Coach Mr. Jim Prunty. The "Swinging Mustangs" were led this year by senior Glenn Kleefisch, juniors Scott Vrbancic and Steve Wabl along with sophomore Jack Johnson.

The results of this years' season were very favorable and show great promise for the years ahead. The varsity ended with a 6-7 record in dual matches and again sent members of the team on to the State Sectional this year. The freshmen, who had 15 members this year more than any of the previous years, ended up 5-7 for the year.

# COMEBACKS ADD SPARKLE TO DIAMOND

Major comebacks along with steady, intense play led the Swinging Mustangs to a Catholic League South and an IHSA Regional Championship. Senior Bob Wirtz made his return performance by pitching his way undefeated into the state playoffs and breaking Mike Burke's record of 86 strike outs. Wirtz didn't play much in the 1985 season, but was named Catholic League Player of the Year for the '86 season.

Another comeback is senior Javier Lebron. In his first year as a varsity player, he hit in clutch situations and tore up the base paths with his speed.

"He came out of nowhere," said head coach Mike Moyzis. "But he dedicated himself as an athlete (through wrestling) and it paid off."

Probably the most dramatic comeback would have to be the 11-10 victory against Carmel. In the last inning, the Mustangs were down by seven runs but came back behind senior Frank Labno's grand slam. It made a winner out of reliever, senior George Miller, who was making his comeback after a serious leg injury.

The Mustangs also rallied in the last inning against Argo in the IHSA Regional playoffs. Junior Tom Michalak's single drove in the winning run. At press time, the Mustangs were in a march toward the state title.

1. Scott Smolik gets an easy out at first.
2. Javier Lebron rounds second base.
3. Jack Johnson awaits signal from third base coach.

## TRACK TEAM

### BUILDS CONFIDENCE

The 1986 Track Team may not have had the kind of season that they had hoped for, but Coach Vir Breidis has hope for the future.

The Frosh/Soph team moved up five places from dead last to the middle of the pack at Loyola Academy, finishing eighth at the Catholic League Championships. The team got strong finishes by Stan Budz and Greg Czochara in middle distance. Dave Price, Rich Minefee, Ed Mortier and Tim Olsen sprinted to a fine season, while Ed Siedlecki and Leo Harmon had great finishes running hurdles.

"We have moved from an all-weather, concrete, non-flex track (the block around St. Rita) to the middle of the pack," says Coach Breidis. "All in all, we have been successful and have had fun doing it." "A track team doesn't need to win a meet flat out to be successful," assistant coach Ms. Paula Strupeck adds. "Success is not only in how the team finishes in the standings, but in how the individual feels about himself, his achievements, and his goals in life."

## TEAM SHOWS CONFIDENCE WITH RETURNING MEMBERS

The 1986 "Swinging Mustangs" had a successful season although they ended with a 2-10 record; but coach Fr. Walter McNicholas O.S.A. sees past this record.

"This year's team was much improved over last year's team. These guys played with much more confidence, more competitiveness," says Fr. McNicholas. "We may have won only 2 matches, but many of our losses were by a score of 3-2." Fr. McNicholas adds that "The team had no forfeits this year, and as a result we sent players to the regionals."

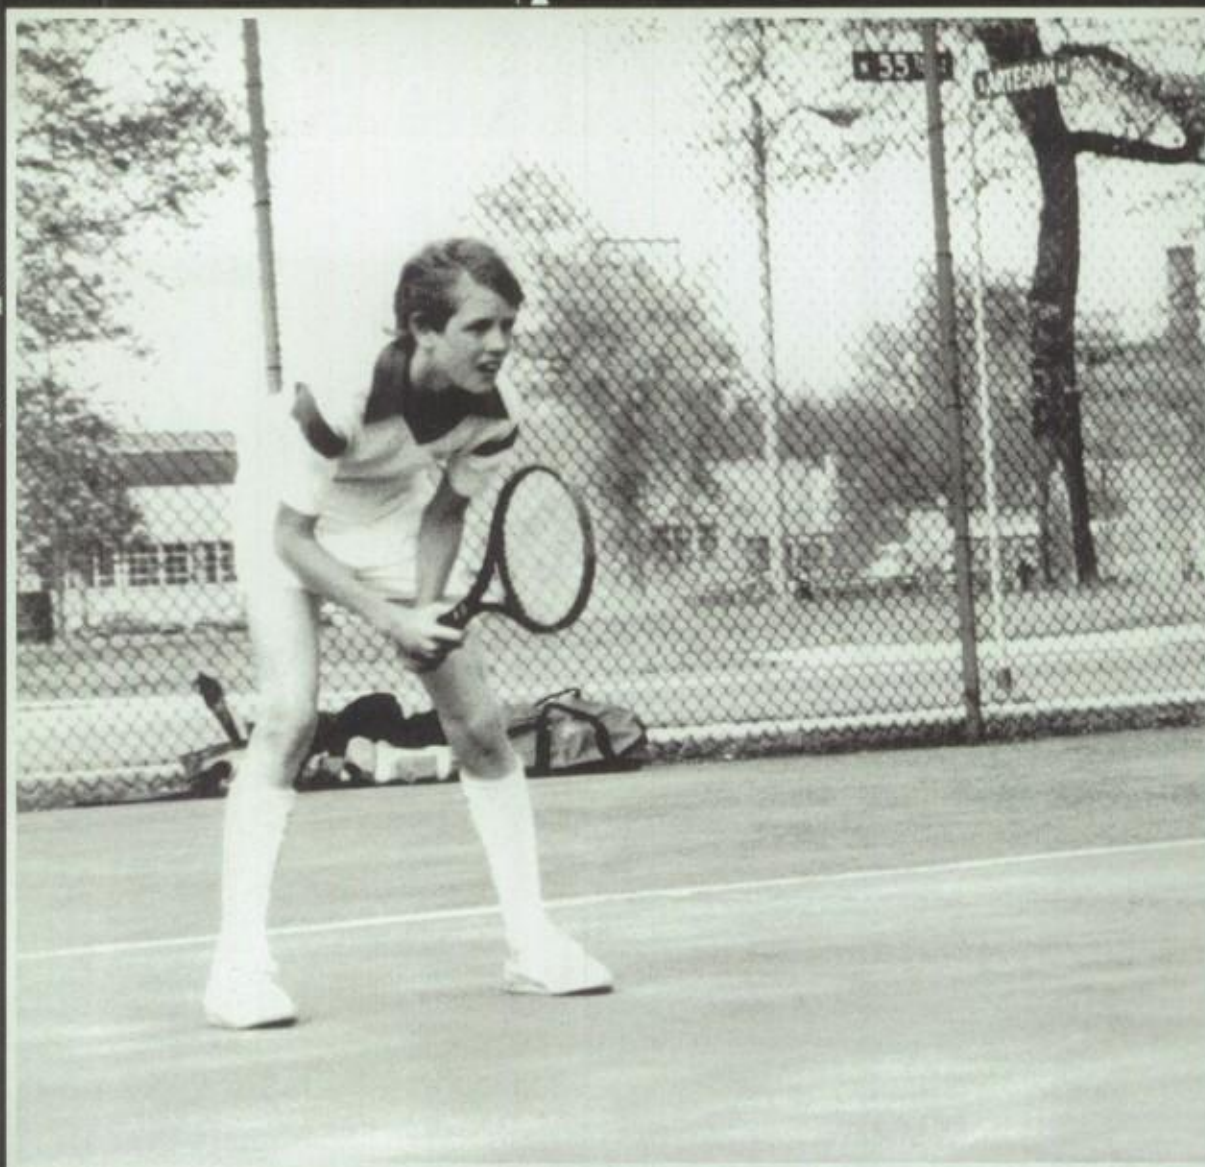

Fr. McNicholas and the Tennis team look forward to the return of all but one member of last season's team, as they take a "swing" at the Catholic League crown. "They show great promise and hopefully this summer's Park District Competition will help them to develop their talent. The team's members have worked very well together during this past season and with the returning team members confidence, the '87 season looks very promising," said Fr. McNicholas.
